From the President

To the East Georgia State College Community –

It is up to each one of us to help foster a secure and supportive environment at East Georgia State College — an environment where individuals can feel safe to visit, learn, work and live. Primary to this goal are the principles of responsibility and respect. These values are essential to any community, and serve as the foundation for the success and productivity of our students, faculty and staff. Safety on campus is one of the highest concerns. A truly safe campus can only be achieved through the cooperation of everyone. This publication contains information about campus safety measures and reports statistics about crime in our college community. It also describes our efforts to combat alcohol and drug abuse. Please take the time to read it and help foster a more caring and safe environment.

Dr Robert G. Boehmer, President

From the Director of Public Safety

To the East Georgia State College Community –

On behalf of the members of the East Georgia State College Public Safety Department, I want to thank you for your interest in our annual Clery Security Report. We publish this report because it contains valuable information for our campus community. We also publish the report to comply with the important provisions of the Clery Act. Campus safety and security and compliance with the Clery Act should be a part of everyone's responsibility at East Georgia State College. We encourage you to review the information available in this document. You will find information about our organization including descriptions of certain services that we provide. You will also become familiar with our strong commitment to victims of crimes and the specific services we make available to crime victims. Lastly, you will find important information about security policies and procedures on our campus, crime data, and crime prevention information. We share in the College's commitment to foster a secure and supportive environment at East Georgia State College. Campus safety and security is a collaborative effort at East Georgia State College. We partner with the many departments at the College that have a critical role in fostering campus safety, including Student Affairs, Plant Operations and other College offices. The men and women of the East Georgia State College Public Safety are committed to making the College campus a safe place in which to live, work, and study.

ANNUAL SECURITY REPORT

SCOPE OF THE ANNUAL SECURITY REPORT

This report contains Clery Act crime statistics and Clery Act reporting requirements for the East Georgia State College (EGSC) Augusta campus. The EGSC Augusta campus is located on the Georgia Regents University's Summerville campus. EGSC and Georgia Regents University (GRU) entered into an MOU allowing EGSC's use of administrative and classroom space on GRU's Summerville campus. EGSC students attend classes at and have access to student support facilities at Georgia Regents University's (GRU) Summerville campus. This report contains Clery Act crime statistics for EGSC Augusta's administrative facility located in GRU shared space in Payne Hall collected by EGSC Public Safety, and Clery Act crime statistics for GRU's Summerville campus, as provided by GRU's Department of Public Safety. The public safety needs of the EGSC Augusta campus are provided by GRU's Public Safety Department. The EGSC –GRU MOU was effective Fall 2013. For calendar year 2013, EGSC Augusta statistics cover the period August 1, 2013 – December 31, 2013. GRU campus statistics reported herein are for calendar year 2013, and include incidents that occurred on the GRU campus prior to EGSC's arrival on GRU's campus. Because EGSC Augusta students do not have access to GRU housing, fire statistics for GRU housing are not included in this report.

The report covers 2014 calendar year statistics; 2012 and 2013 crime statistics are included for comparison, with the limitation as noted above.

EGSC Augusta students may view *Georgia Regents University's Annual Security Report and Crime Statistics*:

REPORTING CRIMES AND OTHER EMERGENCIES

The college has a number of ways for campus community members and visitors to report crimes, serious incidents, and other emergencies to appropriate college officials. Regardless of how and where you decide to report these incidents, it is critical for the safety of the entire college community that you immediately report all incidents to GRU Public Safety 706-721-2211 or to EGSC Swainsboro main campus at 478-289-2090, 478-455-0125 to ensure an effective investigation and appropriate follow-up actions, including issuing a Crime Alert or emergency notification.

Voluntary, Confidential Reporting

If crimes are never reported, little can be done to help other members of the community from also being victims. We encourage college community members to report crimes promptly and to participate in and support crime prevention efforts. The college community will be much safer when all community members participate in safety and security initiatives.

If you are the victim of a crime or want to report a crime you are aware of, but do not want to pursue action within the college or criminal justice system, we ask that you consider filing a voluntary, confidential report. Depending upon the circumstances of the crime you are reporting, you may be able file a report while maintaining your confidentiality. The purpose of a confidential report is to comply with your wish to keep your personally identifying information confidential, while taking steps to ensure your safety and the safety of others. The confidential reports allow the college to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and

disclosed in the Annual Security Report. In limited circumstances, the Department may not be able to assure confidentiality and will inform you in those cases.

Anyone may call GRU Public Safety 706-721-2211 or EGSC Public Safety Swainsboro: 478-289-2090 or 478-455-0125 to report suspicious activity, loitering or other concerning information. Callers may remain anonymous. Providing false information to a Public Safety officer that forms the basis of a complaint or report is a Director of Student Conduct or Human Resources, as appropriate, for handling and may result in disciplinary action.

Reporting to Public Safety

We encourage all members of the college community to report all crimes and other emergencies to GRU Public Safety or EGSC Public Safety in a timely manner. GRU Public Safety has a dispatch center that is available by phone at 706-721-2211 or in person twenty-four hours a day at the Public Safety Office on Gorgas Road at Arsenal Avenue. Though there are many resources available, Public Safety should be notified of any crime, whether or not an investigation continues, to assure the college can assess any and all security concerns and inform the community if there is a significant threat to the college community.

Reporting to Other Campus Security Authorities

While the college prefers that community members promptly report all crimes and other emergencies directly to Public Safety or 911, we also recognize that some may prefer to report to other individuals or college offices. The Clery Act recognizes certain college officials and offices as “Campus Security Authorities (CSA).” The Act defines these individuals as “official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.”

While the College has identified several hundred CSAs, we officially designate the following offices as places where campus community members should report crimes:

| Official | Campus Address | Phone Number |
|------------------------------------|--|---|
| Public Safety | Augusta: Gorgas Road at Arsenal Avenue Swainsboro: Student Center | GRU: 706-721-2211 Swainsboro: 478-289-2090, 478-455-0125 |
| Vice President for Student Affairs | Student Center Swainsboro Campus | 478-289-2015 |
| Director of EGSC Augusta | Galloway Hall | 706-729-2127 |
| Office of Student Conduct | Student Center Room Swainsboro Campus | 478-289-2360 |
| Assistant Director of | Galloway Hall | 706-729-2257 |

| | | |
|-----------------------------|--|--------------|
| Student Life/Augusta | | |
| Director of Human Resources | Gambrell Building Swainsboro Campus | 478-289-2035 |

Professional Counselors

According to the Clery Act, professional counselors who are appropriately credentialed and hired by EGSC to serve in a counseling role are not considered Campus Security Authorities when they are acting in the counseling role. As a matter of policy, the College encourages professional counselors to notify those whom they are counseling of the voluntary, confidential reporting options available to them.

College Community Safety and Personal Responsibility

The College takes great pride in the community and offers students, faculty and staff many advantages. This community is a great place to live, learn, work and study, however, this does not mean that the campus community is immune from all of the other unfortunate circumstances that arise in other communities. With that in mind, EGSC has taken progressive measures to create and maintain a reasonably safe environment on campus.

Though the College is progressive with its policies, programs, and education, it is up to each one of us to live with a sense of awareness and use reasonable judgment when living, working or visiting on campus.

PREPARATION OF THE ANNUAL SECURITY REPORT AND DISCLOSURE OF CRIME STATISTICS

EGSC Legal Affairs and Public Safety prepares this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act using information maintained by Public Safety, obtained by GRU for EGSC Augusta students on the GRU campus, information provided by other college offices such as Student Affairs, and other Campus Security Authorities and information provided by local law enforcement agencies surrounding the main campus. Each of these offices provides updated policy information and crime data.

This report provides statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned, leased or controlled by East Georgia State College. This report also includes institutional policies concerning campus security, such as policies regarding sexual assault, alcohol and other drugs. NOTE: EGSC Augusta campus opened in August 2013; EGSC Augusta statistics reflect incidents from August 2013 – December 31, 2013. GRU statistics reflect incidents for calendar years 2012, 2013 and 2014 for all campus.

The college distributes a notice of the availability of this Annual Security Report by October 1 of each year to every member of the College community. Anyone, including prospective students and employees, may obtain a paper copy of this report by contacting Human Resources, Public Safety or by visiting http://www.ega.edu/public_safety

ABOUT THE EGSC DEPARTMENT OF PUBLIC SAFETY/ COORDINATION WITH GRU

The EGSC Department of Public Safety main office is located in the Student Services Building on the main campus in Swainsboro. Students at EGSC Augusta are covered under GRU’s Summerville Campus Public Safety services for criminal incident response and emergency response. Georgia Regent’s

University's Summerville Campus Department of Public Safety is located on Gorgas Road adjacent to the Maintenance Building. EGSC Public Safety coordinates with GRU Public Safety when incidents and emergencies occur on the GRU campus. Students may receive emergency alerts from both EGSC and GRU. This report contains EGSC crime and emergency incident reporting information, timely warning and policy statements for EGSC. EGSC Augusta students are encouraged to view GRU's Clery report describing the GRU Public Safety office and its services:

<http://www.gru.edu/publicsafety/>

Departmental and /Officer Qualifications and Authority

The East Georgia State College Department of Public Safety is a law enforcement agency recognized by the Peace Officers Standards and Training (POST) Council and its authority stems from Georgia law. All public safety officers are certified peace officers of the State of Georgia. In addition, officers meet annual POST training requirements in order to retain their arrest powers. Public safety officers are responsible for traffic control and the prevention of crime on campus and have the authority to carry weapons and arrest violators of criminal and traffic laws on campus and on adjacent property within 500 yards of the campus. All criminal incidents are investigated by Public Safety. The Department is comprised of six Police Officers and four security officers.

Training

EGSC Public Safety officers participate in on campus drills (active shooter, hazardous spill, fire, shelter in place) and in service trainings on a variety of topics including active shooter, severe weather, search and seizure in the residence hall, missing student scenarios interviewing techniques, Clery Reporting, psychological first aid, and response to classroom disruptions. Several trainings included participation with local law enforcement, EMT and fire departments. Additionally, each officer attends in service training on topics appropriate for a campus public safety officer.

Please refer to GRU's Clery Report for information on GRU officer qualifications, authority and training.

Campus Patrol and Crime Reporting

All individuals are encouraged to report suspicious activity and criminal incidents to GRU Public Safety at 706-721-2911 or use a blue emergency phone, or call 911.

Please refer to GRU's Clery Report for more information on crime patrol and crime reporting procedures.

Additional Public Safety Services

Please refer to GRU's Clery Report for this information.

Relationship with Other Police and Emergency Agencies

The Georgia Regents University Police Department has a mutual aid agreement with the Richmond County Sheriff's Department for emergency situations and does not have a MOU pertaining to the investigation of criminal incidents on campus. The GRU Police Department works closely with the Federal Bureau of Investigation, Georgia Bureau of Investigation, and other state and local law enforcement agencies regarding incidents that occur within their jurisdictions. EGSC Public Safety coordinates with the GRU Public Safety with incidents that occur on campus involving EGSC Augusta students.

Crimes Involving Student Organizations at Off-Campus Locations

EGSC does not have any recognized student organizations off campus. EGSC relies on its close working relationships with GRU and local law enforcement agencies to receive information about incidents involving EGSC students on and off campus. In coordination with local law enforcement agencies, the

Public Safety will actively investigate certain crimes occurring on or near campus. If EGSC Public Safety learns of criminal activity involving students it will coordinate with the appropriate external law enforcement agency to forward information about the situation to the Office of Student Conduct, as appropriate.

TIMELY WARNING REPORTS – CRIME ALERTS

In an effort to provide timely notice to the campus community in the event of a Clery Act crime (criminal homicide, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson, hate crimes, domestic violence, dating violence, stalking) that may pose a serious or ongoing threat to members of the community, EGSC Public Safety will issue a “Crime Alert.” A crime alert will be coordinated with GRU Public Safety office to ensure students receive consistent and timely information. EGSC Public Safety will generally issue Crime Alerts for the following crimes: arson; aggravated assault; criminal homicide; robbery; burglary; sex assaults; and hate crimes. EGSC Public Safety will post these warnings through a variety of ways, including but not limited to posters, e-mails, college’s webpage, and media. The College also has the ability to send text message alerts via Connect Ed (EGSC and GRU students) to those who register their cell phone numbers.

The purpose of these Crime Alerts is to notify the campus community of the incident and to provide information that may enable community members to protect themselves from similar incidents. The College will issue Crime Alerts whenever the following criteria are met: 1) a crime is committed; 2) the perpetrator has not been apprehended; and 3) there is a substantial risk to the physical safety of other members of the campus community because of this crime. Such crimes include, but are not limited to: 1) Clery Act crimes that are reported to any campus security authority or the local police; or 2) the college determines that the incident represents an on-going threat to the campus community. Victim names will not be released.

Additionally, EGSC Public Safety may, in some circumstances, issue Crime Alerts when there is a pattern of crimes against persons or property. At EGSC, the Director of Public Safety will generally make the determination, in consultation with other college offices and GRU, if a Crime Alert is required. However, in emergency situations, any Public Safety supervisor may authorize a Crime Alert. For incidents involving off-campus crimes, the college may issue a Crime Alert if the crime occurred in a location used and frequented by the college population. If issuing such notification will compromise the efforts to contain the emergency, the warning and notification will be delayed until the emergency is under control. Please see GRU Clery Report for information on issuance of timely warning from GRU.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Emergency Management at EGSC Augusta by Georgia Regents University

The EGSC Augusta campus is included in Georgia Regents University’s Department of Public Safety and Department of Critical Event Preparedness and Response plans. GRU’s Emergency Response Plan is designed to be an all-hazards disaster response and emergency management plan that complies with FEMA guidelines for Higher Education that includes planning, mitigation, response, and recovery actions.

Please refer to GRU’s Clery Report for this information.

Drills, Exercises and Training

Please refer to GRU’s Clery Report for this information.

Emergency Notification

NOTE: Emergency response at EGSC Augusta will be a coordinated response with GRU Public Safety serving in the primary role as responder. Since EGSC Augusta students are covered by GRU Public Safety, students should also see GRU's Clery Report for more information.

EGSC is committed to ensuring the campus community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation on campus or in the local area that poses an immediate threat to the health and safety of campus community members. EGSC uses the emergency notification system Connect Ed for its Augusta students. ConnectEd is an emergency notification service available to faculty, staff and students that enroll. ConnectEd can be used to send emergency messages within minutes of the occurrence of an incident. Alerts are simulcast to the college community via text, email and telephone. EGSC performs a College-wide test of the ConnectEd system each semester. A record of each test message and live emergency message is maintained indicating the delivery success rate per device (email, telephone and text message).

The following procedures outline the process EGSC uses when issuing emergency notifications.

Procedures Used to Notify the Campus Community

In the event of a situation that poses an immediate threat to members of the campus community, the College has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of emergency notification to all or a segment of campus community. These methods of communication include the mass notification system Connect Ed, the college's e-mail system, fax, telephone tree, sirens, and verbal announcement within a building and public address system on Public Safety patrol cars. GRU Public Safety will assist EGSC in this notification. The College will post updates during a critical incident on the homepage. If the situation warrants, the College will establish a telephone call-in center to communicate with the College community during an emergency situation.

Confirming the Existence of a Significant Emergency or Dangerous Situation and Initiating the Emergency Notification System

The EGSC Department of Public Safety and /or other campus first responders may become aware of a critical incident or other emergency situation that potentially affects the health and/or safety of the campus community. Generally, campus first responders become aware of these situations when they are reported to the Public Safety or upon discovery during patrol or other assignments. EGSC may also be notified by GRU Public Safety of an emergency or critical incident. Similarly, EGSC will notify GRU of an emergency or critical incident when it becomes aware of such incident.

Once first responders confirm that there is, in fact, an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the campus community, first responders will notify the supervisor in the Department of Public Safety to issue an emergency notification.

The Director of Public Safety or the supervisor on duty will notify the President. Public Safety will immediately initiate all or some portions of EGSC's emergency notification system. The college's Emergency Response Committee (ERC) in conjunction with the President, is responsible for coordinating the response and notification. If time permits, the immediately available members of the ERC will be consulted prior to the college's sending an emergency notification. The college's Information Technology Department is responsible for issuing the ConnectEd notification and the Office of External Affairs is responsible for posting notices on the website and informing the media. If, in the professional judgment of first responders, issuing a notification potentially compromises efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, the college may elect to delay issuing an emergency

notifications. As soon as the condition that may compromise efforts is no longer present, the college will issue the emergency notification to the campus community.

Determining the Appropriate Segment or Segments of the Campus Community to Receive an Emergency Notification

College and/or local first responders on the scene of a critical incident or dangerous situation will assist those preparing the emergency notification (ERC, Public Safety, Information Technology) with determining what segment or segments of the college community should receive the notification. Generally, campus community members in the immediate area of the dangerous situation (i.e. the building, adjacent buildings, or surrounding area) will receive the emergency notification first. The college may issue subsequent notifications to a wider group of community members. In addition to the emergency notification that may be issued via the college mass notification system, the college will also post applicable messages about the dangerous condition on the college homepage to ensure the rest of the campus is aware of the situation and the steps they should take to maintain personal and campus safety. If the emergency affects a significant portion of the entire campus, college officials will distribute the notification to the entire campus community.

Determining the Contents of the Emergency Notification

Information Technology, responsible for issuing the emergency notification, will, in concert with college and local first responders, and the ERC if time permits, determine the contents of the notification. The college has developed a wide range of template messages addressing several different emergency situations. The individual authorizing the alert will select the template message most appropriate to the on-going situation and modify it to address the specifics of the present incident. In those cases where there are no pre-determined template messages in the system, the individual authorizing the alert will develop the most succinct message to convey the appropriate information to the community. The goal is to ensure individuals are aware of the situation and that they know the steps to take to safeguard their personal and community safety.

Procedures for Disseminating Emergency Information to the Greater Community

Emergency information will be disseminated to the larger campus community through Connect Ed, public address, posters, signs on buildings, fax, and posting messages on the college webpage.

Enrolling in the College's Emergency Notification System

Prior to the Connect Ed tests in Fall and Spring semester, Student Life conducts a Connect Ed awareness program to inform and remind students of the emergency notification system and to update emergency contact information. In preparation for an emergency, annually and prior to impending severe weather, EGSC's Information Technology Department sends a reminder e-mail to all campus requesting employees update his or her emergency contact information in Connect Ed. We encourage members of the campus community to enroll in the Connect Ed emergency notification system and regularly update their information at:

http://www.ega.edu/images/uploads/ConnectEd_Instructions10-01-12.pdf

Testing of the EGSC Emergency Response Procedures

EGSC conducts Connect Ed tests each semester. Since EGSC Augusta is covered under GRU's Emergency Response Plan, EGSC Augusta students, faculty and staff are included in the testing of the GRU response procedures. See GRU Clery Report for more information.

SECURITY OF and ACCESS TO COLLEGE FACILITIES

EGSC Augusta campus occupies the ground floor of Payne Hall and shares space in Galloway Hall. EGSC Augusta students attend classes in several building on campus and have access to support services on campus. Generally, EGSC and GRU administrative buildings are open from 8:00 a.m. until 5:00 p.m., Monday through Friday, and academic buildings generally are open from 7:00 a.m. until 11:00 p.m. Academic buildings are scheduled to be open on weekends only as needed. Access to individual classrooms and laboratories is limited to those enrolled in the courses meeting there. Likewise, access to most programs is limited to those enrolled in the program or otherwise authorized access.

Many cultural and athletic events held in the college facilities are open to the public. Other facilities such as the GRU café, bookstore, library, and auditorium are likewise open to the public. Only those high level employees whose job responsibilities require after hour's access are issued keys to a building.

Please see GRU Clery Report for more information.

Special Considerations for Residence Hall Access

The EGSC Augusta campus is located on the GRU Summerville campus. The GRU Summerville campus does not have student housing.

Security Considerations for the Maintenance of Campus Facilities

EGSC Augusta is located on GRU's Summerville campus and GRU has primary responsibility for maintenance of campus facilities. Please see GRU's Clery Report for more information.

CAMPUS SECURITY POLICIES, CRIME PREVENTION & SAFETY AWARENESS PROGRAMS

Please see GRU Clery Report for more information.

In addition to the many programs offered by EGSC Public Safety and other college offices, the College has established a number of policies and procedures related to ensuring a reasonably safe campus community. These policies include:

Behavioral Intervention Team

In order to extend our efforts on emergency preparedness and prevention, EGSC has established a Behavioral Recommendation Team. The objective of the Behavioral Recommendation Team (BRT) is to put in place a structured process for evaluating potentially threatening situations that occur at the college, coordinating resources and recommending an action plan for individual in need of support. The multi-disciplinary team is comprised of members from around the college community. If you would like further information about the BRT please visit

http://www.ega.edu/offices/presidents_office/standing_committees/behavioral_recommendation_team

Weapons Policy

Both GRU and East Georgia State College are designated as school safety zones by Georgia law. Georgia's Safe Carry Protection Act prohibits an individual from possessing, carrying, or having any explosive compound or weapon under his or her control, on any property in a school safety zone. The

school safety zone covers property owned or used by East Georgia State College, including residence halls and college owned vehicles.

Individuals holding a valid weapons carry license may possess a weapon in a vehicle when transporting a student to/from campus and may have a weapon in a vehicle that is in transit through or parked within a school safety zone. However, weapons are strictly prohibited from being removed from a personal vehicle while on campus grounds. Weapons carry license holders must have the license in his or her immediate possession at all times when carrying a weapon.

Violation of this policy is also a violation of Georgia law and will result in appropriate action, including but not limited to, expulsion, termination, dismissal and/or referral for criminal prosecution.

Crime Prevention and Safety Awareness Programs

In an effort to promote safety awareness and reduce crime, prevention and awareness programs are available at EGSC. Prevention programs are aimed at minimizing criminal opportunities and encouraging students to be responsible for their own security. Information on crime reporting, prevention and awareness is shared by Public Safety with the Offices Student Affairs, and Counseling and Disability Services. Students receive this information in new student orientation, and in housing orientation. Employees receive this information during the college's annual Compliance Month training event.

Personal Safety

Theft, disorderly conduct, and alcohol related offenses are very common on College campuses. Despite law enforcement's efforts, serious crimes do occur on campuses. It is important to report any suspicious incidents to police and always remain alert and vigilant.

One of the more serious crimes that too often is unreported is Sexual Assault. It is important to know what these crimes are, because in many cases, victims do not realize that have been victimized. Additionally, crimes of this nature are very difficult for victims to report for a number of very complex reasons. We provide the following information to assist those help who may have been victims of sexual assault or who have a friend who has been sexually assaulted.

There are many guidelines to help you be more alert and aware of the situation to prevent such serious crimes. Such as:

Know your surroundings

- Be alert
- Call for help
- Report any suspicious people and/or activity, immediately

EGSC Policy Statement on Sexual Assault, Stalking, Domestic Violence and Dating Violence

EGSC is committed to providing a safe learning and working environment, and in compliance with federal law has adopted policies and procedures to prevent and respond to incidents of sexual misconduct and abuse including sexual violence, sexual assault, domestic violence, dating violence and stalking. These guidelines apply to all faculty, staff, students, contractors and visitors.

Sexual assault, stalking, domestic violence and dating violence are forms of sexual misconduct which in violate the EGSC Student Code of Conduct and *EGSC Policy Prohibiting Sexual Discrimination, Sexual Harassment and Sexual Misconduct* and may violate Federal and State Laws. Students and employees that violate the *EGSC Policy Prohibiting Sexual Discrimination, Sexual Harassment and Sexual Misconduct* are subject to disciplinary sanctions through the Office of Student Conduct and EGSC as

outlined in the above college policy. Please visit the above link to review procedures, policies and protocols for reporting and addressing allegations of student and employee sexual assault, sexual misconduct, stalking, domestic violence and dating violence.

Reporting an Incident

If a student, employee or visitor has been the victim of sexual violence they should immediately report it to GRU Public Safety or EGSC Public Safety Department. Time is a critical factor for evidence collection and preservation. In the case of an emergency or ongoing threat, get to a safe location and call 911. Students may also report to the Director of the Augusta campus, Title IX Coordinator, EGSC Counselor, or other college official; employees and others may report to Title IX Coordinator or the Office of Human Resources. College officials will assist the victim in notifying law enforcement, if the victim elects to do so. Victims are also entitled to not file a report to law enforcement. Filing a police report with a college officer will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- ensure that a victim of sexual or non-sexual assault receives the necessary medical treatment and tests;
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later;
- assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault, domestic violence and dating violence crisis intervention.

Defining Rape, Sexual Assault, Sexual Misconduct and Relationship Offenses

Rape: any penetration of the female sex organ by the male sex organ, forcibly and without the victim's consent. Statutory rape is defined as engaging in sexual intercourse with someone under the age of 16 (if not his or her spouse).

Sexual Assault: sexual penetration, no matter how slight, of the genital, anal and/or oral opening of the victim by any part of the perpetrator's body or by the use of an object, without the victim's consent or against the victim's will where the victim is forced or has reasonable fear of injury to self or others if the victim does not submit, or where the victim is suffers from a mental or physical disability or is otherwise unable to give consent.

Sexual battery: intentional touching of victim's intimate parts or clothing covering the victim's intimate parts, without consent or victim forced to touch intimate areas of another person

Domestic Violence: The occurrence of one or more of the following acts between past or present spouses, persons who are parents of the same child, parents and children, stepparents and stepchildren, foster parents and foster children, or other persons living or formerly living in the same household: any felony, battery, simple battery, simple assault, stalking, criminal damage to property, unlawful restraint or criminal trespass.

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. This includes sexual or physical abuse or the threat of such abuse. To determine the existence of such a relationship, the following will be considered: the reporting party's statement and consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

Stalking: following, placing under surveillance or contacting another person without the consent of the other person for the purpose of harassing or intimidating that person. This includes a knowing and willful course of conduct which serves no legitimate purpose and is directed at a specific person which causes the person emotional distress by placing the individual in fear or his or her safety of safety of family. Stalking occurs via communication in person, by telephone, e-mail, broadcast, computer or other electronic device. It includes the violation of a bond to keep the peace (protective order, no contact order,

restraining orders) and includes publishing contact information of the person for whose benefit the peace bond or protective order was issued without his or her consent and for the purpose of causing others to harass or intimidate another person. Stalking can occur on any private or public property of the victim.

Consent is defined as clear words or actions that are knowingly, freely and actively given, indicating permission to engage in mutually agreed upon sexual activity. The absence of no is not a "yes". Consent cannot be given when physical force, threats or intimidation, or sexual coercion, is used to obtain consent.

- Consent may be withdrawn at any time without regard to sexual activity preceding the withdrawal of consent.
- Consent may not be inferred from silence or passivity alone.
- Consent is not able to be given when a person is prevented from or incapable of giving consent (i.e., due to use of drugs or alcohol, or physical or intellectual disability) and this fact is known to the person committing the act.

Procedures Victims Should Follow

While these definitions are clear, victims often have difficulty reporting a sexual assault, domestic violence, dating violence or stalking for numerous reasons such as knowing the perpetrator, fear of retaliation, fear of parents knowing about the incident, fear of getting in trouble with law enforcement. Despite these concerns, it is vital to report such incidents in order to preserve evidence and to get help.

The following information provides steps for a victim to follow should a rape, sexual assault, or relationship offense occur:

- Get to a safe place as soon as possible!
- Try to preserve all physical evidence – Sexual assault victims should not bathe, shower, brush teeth, douche, use the toilet, or change clothing until s(he) has a medical exam. Any clothing removed should be placed in a paper bag. Evidence of violence, such as bruising or other visible injuries should be photographed. Evidence of stalking including any communication: written notes, texts, voicemail or other electronic communications should be saved. Contact a close friend or relative, if available, who can provide support and accompany the victim to the medical exam and/or police department.
- Get medical attention as soon as possible – An exam may reveal the presence of physical injury of which the victim is unaware. Following a sexual assault, antibiotics are typically given at the time of the exam to help prevent the victim from acquiring certain sexually transmitted diseases. Emergency contraceptive pills are offered to all victims at the time of the exam (if the victim presents within 120 hours) to help prevent pregnancy from occurring as a result of the rape. If the victim reports memory loss, loss of consciousness or other circumstances suspicious for a drug-facilitated assault, a urine test may be done if the victim presents within 96 hours. Some of the commonly used “date rape” drugs, however, are only detectable in the urine for 6-8 hours after ingestion.
- Contact the police – Sexual assault, domestic violence, dating violence and stalking are crimes, it is vital to report them. It is important to remember reporting a crime is not the same as prosecuting the crime. The decision to prosecute may be made at another time. Final decision to prosecute is determined by the District Attorney.
- Consider talking to a counselor – Seeing a counselor may be important in helping the victim understand his/her feelings and begin the process of recovery.

Victim Confidentiality

EGSC recognizes the sensitive nature of sexual violence and is committed to protecting the privacy of the any individual who reports an incident of sexual violence. Different officials on campus are, however, able to offer varying levels of privacy to victims. When a sexual assault, dating violence, domestic violence or stalking victim contacts Public Safety Department, the local police will be notified as well. Reports made to Public Safety, including if criminal prosecution is pursued, may be made public. The Clery Act Annual Security Report will not include the victim's name or identifying information. Reports made to the EGSC Counselor may be kept confidential and identifying information about the victim shall not be made public unless disclosure is mandated by law (victim is minor, victim or third party is in imminent danger). Counseling staff are available to provide immediate crisis counseling and are confidential contacts. Counseling staff may accompany the victim to the hospital for medical care, provide referrals when needed, and to provide on campus counseling services. Title IX Coordinators, due to legal mandates requiring investigation of all reports, may not be able to offer full confidentiality if doing so compromises the investigation. Regardless of whether the victim reports the offense to local law enforcement, the below information will be given to the victim at the time of the report, explaining his/her rights and options.

On and Off Campus Resources

Both EGSC and its surrounding communities offer important resources to victims of sexual violence, sexual misconduct and relationship offenses including medical treatment, counseling and advocacy. A victim need not make a formal report to law enforcement or EGSC to access resources.

The following handout will be given to victims by EGSC Public Safety, Title IX Coordinator, EGSC Counselor or the college official receiving the report.

Individuals found responsible for having committed such a violation face permanent expulsion, termination of employment, suspension, and/ or probation. Incidents involving accused students will be handled by the Office of Student Conduct, and incidents involving accused employees will be handled by the Office of Human Resources.

All conduct proceedings, whether the conduct is reported to have occurred on or off campus, shall provide a prompt, fair and impartial investigation and resolution by officials who have received annual training on the nature of the types of cases they are handling, on how to conduct an investigation, and conduct a hearing in a manner that protects the safety of victims and promotes accountability. Determination of responsibility shall be made by the hearing panel using the preponderance of the evidence standard (which means that it is more likely than not that the alleged misconduct occurred).

In all proceedings, including any related meetings, both the accused and accuser are entitled to the same opportunities to have others present including the right to be accompanied by an advisor of their choice. Both the accused and accuser shall simultaneously be informed in writing of the outcome made by the

ANNUAL DISCLOSURE OF CRIME STATISTICS

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)) requires colleges and universities across the United States to disclose information about crime on and around their campuses. Public Safety maintains a close relationship with all police departments where EGSC owns, controls or occupies property to ensure that crimes reported directly to these police departments that involve the College are brought to the attention of Public Safety.

Public Safety collects the crime statistics disclosed in the charts through a number of methods. Public Safety staff enters all reports of crime incidents made directly to the department through an integrated computer aided-dispatch systems/records management system. A department supervisor reviews the report to ensure it is appropriately classified in the correct crime category. The Chief periodically examines the data to ensure that all reported crimes are recorded in accordance with the crime definitions outlined in the FBI Uniform Crime Reporting Handbook and the FBI National Incident-Based Reporting System Handbook (sex offenses only). In addition to the crime data that Public Safety maintains, the statistics below also include crimes that are reported to various campus security authorities, as defined in this report. The statistics reported here generally reflect the number of criminal incidents reported to the various authorities. Statistics for GRU are provided by GRU Public Safety and are included herein. Statistics reported for the sub categories on liquor laws, drug laws and weapons offenses represented the number of people arrested or referred to campus judicial authorities for respective violations, not the number of offenses documented.

ANNUAL FIRE SAFETY REPORT

The Higher Education Opportunity Act enacted on August 14, 2008, requires institutions that maintain on-campus student housing facilities to publish an annual fire safety report that contains information about campus fire safety practices and standards of the institution. EGSC Augusta is located on the GRU Summerville campus; the GRU Summerville campus does not have student housing and therefore no fire report is required.
