

Continuation from ROUTING FORM FOR PROPOSED CHANGES TO ACADEMIC POLICY, CURRICULUM CHANGES, STATUTES

I, Joy Strickland, ACE Tutoring Coordinator, am proposing the implementation of a Student of the Month Award Committee.

Purpose and Description

The EGSC Student of the Month program personalizes the student experience and cultivates a positive school culture where students feel valued. The awards present an opportunity for the college community to demonstrate EGSC values through an investment in the success of students with diverse backgrounds, strengths, and interests.

The EGSC Student of the Month award recognizes students who represent excellence within the EGSC community. Selection of students is based on commitment to academic growth, engagement in the college community, and contribution to an inclusive and supportive academic environment. Up to three awardees are selected each month; the goal is to represent the range of students enrolled across the college's campuses and online program. Potential awardees may be submitted by faculty and staff.

Members

A committee comprised of the Director of Retention, ACE Tutoring Coordinator, three faculty members, and foundation member will vote on monthly awardees. Faculty members will rotate on an annual basis beginning Fall 2020. The founding committee will be chosen by the ACE Tutoring Coordinator and Director of Retention. Subsequent faculty representatives may be self-nominated or suggested by standing committee members. Active committee members will vote on new committee representation each August.
