## **AGENDA**

### **Review:**

**Purpose:** Facilitate a unique and collegiate campus learning environment by developing opportunities for students/faculty/ staff/ community to create and permanently display original works of art on EGSC's campuses and at designated external locations for the purpose of enhancing our student's college experience, improving the workplace environment for faculty and staff, and enriching interactions with constituents who visit campus and/or The Morgan House.

**Function:** (1) Catalogue and preserve college-owned works of art; (2) Provide appealing artwork to display in interior and exterior spaces on EGSC's campuses; (3) Work collaboratively with the School of Humanities to promote art's importance as a touchstone to encourage and enrich learning; (4) Provide advisory support to the EGSC Foundation for The Morgan House art work to ensure that items are methodically displayed.

### **Overview of projects completed**

- Two of the Alan Campbell art pieces became un-taped and were reset within the mat; original frame retained.
- Mac Rountree artwork was reframed for preservation.
- Monthly artwork displays for First Friday at the Morgan House have been overseen by committee members Desmal Purcell and Katelyn Moore (listing attached)
- Art items designated for surplus have been catalogued; ready to be removed from Art Storage room. Copy shared with committee.
- Measurements and designs were provided to M. Goff for murals above water fountain and end of M/S hallway in Academic building – will be installed with funding from renovation project.
- Norma is working with EGSC Augusta to install artwork in administrative offices.

## **Discussion of On-going Projects:**

- Work with Plant Op to finalize shelving and storage options in the art storage room.
- Obtain signage for Art Gallery
  - A design and quote was obtained from Whitfield Signs; pending available funding.
- Identify and prioritize additional locations on each campus to display EGSC artwork:
  - EGSC Augusta – Payne Hall and 3 classrooms;
  - EGSC Statesboro;
  - EGSC Swainsboro - mural in JAM Center; RLB.
- Implement a plan to rotate artwork on display and in storage.
- Next framing project: Jason Kohler photographs.
- (1) Digitize graduation and faculty photos and create an on-line webpage (Alumni) and (2) Rehang original photos in the new Student Center Expansion, if possible.
- Outdoor sculpture
  - Find donor(s) for the Outdoor Sculpture.
  - Work with Development staff to establish and implement the brick campaign project for the outdoor sculpture.
- Do we need an art acquisition policy?
- Update the webpage to include photos of art work.

## **New projects for consideration:**

- Do we need a policy or formal request procedure to allow outside use of Art Gallery?
