This program map is designed as an example for current and prospective students. Your program map may be different depending on your full-time or part-time status, dual-enrollment credits, AP, IB, or Cambridge credits, and Corequisite Learning Support requirements. This sample program map is designed for full-time students planning to complete an associate degree in 4 semesters (2 years) and starting college with no earned credits and no Corequisite Learning Support requirements. You and your advisor will create a personalized program map for your college journey. Courses on this program map are recommended courses for this program of study. However, other courses may be used to satisfy program requirements.
